CANDA Solutions, LLC is a privately held small business led by a team of seasoned IT consultants, supporting clients with missions vital to the protection of our nation. We serve a variety of government agencies in the Homeland Security and Intelligence community. Our success derives from our ability to provide technical expertise required to understand how organizations operate, how to set goals, and how to implement the latest innovations to achieve success and create value. Combined with our crisp 'Agile' approach to all that we do, we provide a unique track into project success. We pride ourselves on moving projects through quickly and accurately with solutions that are elegant answers to complex problems. We get things done. With us, it's easy...
