CANDA Solutions
THINGS ✓ DONE

Fresh Haystack Capabilities

Fresh Haystack, a division of CANDA Solutions, is a modular security and risk case management solution created from years of experience deploying generic case management systems for Federal and Commercial customers that were expensive, difficult to navigate, costly, and slow to implement. With a dedication to "Getting Things Done," we knew there had to be a better way to "*Simplify National Security*'' and mitigate risk with the ever changing requirements, policy, and threat landscape.
